Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Sedgebrook Parish Council		
Name of Internal Auditor:	Terry Brown	Date of report:	17/4/2021
Year ending:	31 March 2021	Date audit carried out:	April 16th 2021

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the staff and management and not left for internal audit.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

To the Chair of the Council:

In accordance with the terms of my engagement I have undertaken a review of Sedgebrook Parish Council's records, policies and procedures for the financial year ending 31st March 2021 and I enclose a completed and signed Annual Internal Audit Report for the AGAR 2020/21.

The internal audit exercise involves the testing of the evidence of and evidence of compliance with the 15 statements contained in the Annual Internal Audit Report of the Annual Governance and Accountability Return (AGAR)

The statements refer to:

- A. Maintenance of proper financial records
- B. Compliance with the Council's Standing Orders, Financial Regulations and proper accounting for VAT
- C. Adequacy of risk management arrangements
- D. Effective budgeting and budgetary control
- E. Identification of income due and timely collection and banking of such monies
- F. Proper administration of petty cash (where appropriate)
- G. Proper administration of salaries of employees and expenses paid
- H. Maintenance of an accurate and reliable asset register
- I. The completion of regular bank reconciliations
- J. The correct basis and accurate preparation of year-end accounts
- K. Whether the Council has met its responsibilities as a trustee (where appropriate)
- L. Correctly applying the exercise of public rights during the previous year period

There continues to be improvement in the administration of both finance and governance of this Council that will provide parishioners with confidence. But minutes should show a more complete financial statement.

Internal controls are adequate and effective and have been pragmatically adjusted to deal with problems that have arisen from the Covid situation.

There is now a competent and functional website but the Council might be advised to consider whether its reported policies and procedures are sufficient. Also the website as the primary source of information should be regularly updated rather than as an end of year exercise

I thank the Parish Clerk for her detailed help in carrying out this Audit.

This report is based on the evidence made available to me. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. Consequently, the report is limited to those matters set out.

Yours sincerely,

Yours sincerely,

Terry Brown
