Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS
A1 Southbound Newark to Gonerby Moor**

I am writing to let you know that we will be carrying out survey work on the A1 between Newark and Gonerby Moor.

During our scheme of work, we will carry out pavement investigation surveys.

The information we gather during these surveys will provide important maintenance data which we will use to develop further schemes along the A1.

When will the work take place?

We plan to survey the area on **Monday 19th October** and **Tuesday 20th October**. We will deliver our works overnight between **9pm** and **6am**

Please note that our planned works are subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To maintain a safe environment for our workforce and motorists, we will work under a full southbound carriageway closure between Newark and Gonerby Moor.

During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open, as usual, outside our working hours.

Covid-19 Impact on essential road users

All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of COVID-19 and none of our sites are open to the public. All construction projects are closely monitored, and the situation is kept under constant review.

This scheme of work is essential to the strategic road network, however if you have any concerns about the impact our work may have on essential supplies during these unprecedented times then please contact us.

Contact Us

If you have any questions about this work, you can contact our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk
- Telephone: 0300 123 5000

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'K Moore', is positioned above the printed name.
